Dear Sreehari,

We are pleased to inform that we are in the process of completing our Annual Performance review process for 2023-2024. We thank everyone for their participation in the process.

In 2023, we contributed to ongoing positive momentum & business growth at Cotiviti, India. We welcomed around 1000 new team members during the year, and Cotiviti India's headcount is now approximately 3500. Hyderabad, Pune & Coimbatore offices continue to expand, including additional office space and seating capacity, as well as our global expansion into two new locations, in the Philippines & Mexico.

Our teams continue to execute our client projects & deliver effectively.

Thank you for your hard work, commitment, and contribution during the past year.

We look forward to an equally vibrant 2024 with several new projects in India and business growth opportunities. We count on your renewed commitment, energy, and active engagement that will lead to the company's ongoing success.

Regarding your own performance, you would have had your discussion with your manager. **During this period, your performance has been rated as Successful Performance.** We hope you had an interactive discussion regarding your performance, goals, role expectations, and development opportunities.

We are also pleased to inform that in view of your consistent performance, current role, and demonstrated potential, you are being promoted as **Software Engineer I** effective **1st March 2024**. Congratulations!

Based on your performance rating, your salary has been revised effective **1st March 2024** as per details in the annexure.

**Compensation is an individual matter and should be kept confidential. You are advised not to discuss your compensation with other employees, except your Manager or HR.**

With best wishes,

**For Cotiviti India Private Limited**
